Hi Denise,

We finally have approval of all parties on the attached draft of the confidentiality agreement. Please review and have it signed. No substantive changes were made after your review, but of course, conduct your own review.

Please sign and scan the signature page back to me and I will compile all the signature pages and send you a fully executed copy.

Let me know if you have any questions. Hope you and your family are doing well. Now we're adding wild fires to the mix of issues in California....wonderful.

Thanks,
Stevie

Hi Denise,

We're taking it day by day. 😊 Hope you and your family are doing well too!

The agreement is currently being reviewed by the Water Board. Once we have their approval, we'll be ready for everyone to sign the agreement. No one else has had any changes.

Thanks,
Stevie

Hi Denise,
Thanks for the redline. I'll be in touch after it makes the rounds to the other California BDOs involved.

It was so nice to talk to another parent of a young kid.

Thanks,
Stevie

Hi Stevie,

The draft looks good but I'd like to talk to you about Paragraph 12. Let me know if you have time for a quick call. I'm generally available in the afternoons for the rest of this week. Let me know what would work for you.

Thanks, Denise

Hi Stevie,

Thanks for your email and sorry for the delay in getting back to you. I should be able to get back to you soon on the draft. Also, Melanie Shepherdson, will be signing for EPA – I'll add that in when I return the draft.

Thanks, Denise

Subject: Confidentiality Agreement for CalEPA Initiative for Metal Shredders

Hi Denise and Tom,

This correspondence is regarding DTSC's Work Plan for the CalEPA Environmental Justice Enforcement Task Force initiative of 2020. For DTSC's project, DTSC, US EPA and other state boards, departments, and offices (BDOs) will be discussing in depth the current regulatory status of nine metal shredders located in California with respect to each agency's purview. It is anticipated that in addition to discussions related to specific metal shredders, there will be discussions related to all the nine metal shredders in California.

I have put together a draft Confidentiality Agreement to cover this project. It is based off of the Schnitzer Oakland Confidentiality Agreement and has been reviewed by the California Air Resources Board. My hope is to get comments from EPA and then to circulate the draft to the other involved California BDOs.

If you have any questions or comments related to the Confidentiality Agreement, please feel free to email or call me at 916-823-2120. If you have questions related to the project, please contact Scott Connolly at EPA or Anne Ekker at Anne.Ekker@dtsc.ca.gov.

Thanks,
Stevie
